ABOUT THE COLLEGE

Poornaprajna College, Udupi, was established in 1960 under the initiative of His Holiness Sri VibudheshaTheerthaSwamiji of Sri Admar Mutt. The college is maintained and governed by Udupi Sri Admar Mutt Education Council and initially offered Arts and Commerce streams. Subsequently, Science courses were introduced at the PU level in 1963 and at the degree level in 1965. In 1972, the Government of Karnataka extended the duration of the PU courses by one year, and the new two-year PU course remained composited with the degree course at Poornaprajna College until 2001.

His Holiness Sri VibudheshaTheerthaSwamiji had a vision of making our college the best in the region. We are proud to have made steady progress towards fulfilling his dream. Our founder's successor, H H Sri EeshapriyaTheerthaSwamiji, is leading the College Committee, ably guiding us to greater heights.

Our students excel not only in academics but also in co-curricular activities and sports. Our institution aims to develop students as responsible and rational citizens, gainfully engaged in various activities and livelihoods, alongside imparting quality education.

The managing committee of our college comprises members who are experts in various fields and bring their ideas, capabilities, and enthusiasm to govern the college's activities. Our present Principal, Smt Prathima Baliga, is confident in building on the solid foundation laid by her predecessors, taking the college to greater glory in the years to come. The college has an experienced and dynamic teaching staff dedicated to their calling, providing the best education to our students.

EDUCATIONAL FACILITIES

Faculty: The college has a team of highly qualified and experienced teaching staff across different faculties, bringing a diverse range of talents and abilities to the table. Many hold the highest degrees in their respective fields and have earned professional recognition. They are committed to guiding our students to make the best use of their time and energy. In addition to their expertise, our teaching staff regularly undergo teacher-training workshops to sharpen their teaching skills and stay up-to-date with the latest pedagogical trends.

Library: Our college library is a treasure trove of knowledge, with an extensive collection of books on all the necessary subjects. The library's book bank section provides students with books that can be retained throughout the academic year. Departmental libraries attached to several departments of the college allow students to borrow subject-specific books. The library subscribes to over 100 newspapers and popular scientific and subject journals, providing students with a vast array of reading materials to support their academic pursuits.

Laboratories: Our college has modern and spacious laboratories in Physics, Chemistry, Biology, and Computer Science that are fully equipped with modern equipment and technology. These labs provide hands-on learning experiences to students, allowing them to apply theoretical knowledge to practical situations.

Special Training Classes: The college conducts training classes for various competitive exams, including CA and CS foundation, CET, NEET, and JEE Mains. These classes provide additional support to students, helping them to succeed in competitive examinations related to their academic and career pursuits.

Audio-Visual Programmes: Our fully air-conditioned Audio-Visual hall, with a seating capacity of about a hundred, is equipped with all necessary audio-visual equipment, including a 16mm sound projector, an LCD projector, and a colour TV. Educational films and slides on various subjects are regularly shown to supplement classroom teaching, enhancing the overall learning experience.

Physical Education: Our spacious playground provides ample scope for a variety of games, including basketball, badminton, shuttle, volleyball, and more. Facilities for indoor games, such as chess and carrom, are also available. Our commitment to physical education encourages students to develop a healthy and active lifestyle.

Extra-curricular Activities: Our college offers various associations that provide opportunities for students proficient in drama, dance, music, painting, public speaking, and more to exhibit their talents. These associations encourage talented students, providing them with training and leading them to competitions of different levels, nurturing their creativity and passion.

Financial Aid and Proficiency Prizes: Our college offers several Freeships and Scholarships to deserving students. Additionally, we award prizes and scholarships for general proficiency in individual classes each year, recognizing and encouraging students' academic excellence.

College Canteen: Our canteen provides a wide range of hygienic food options at reasonable rates, including lunch in the afternoon and snacks and beverages at other times, providing students with a comfortable and convenient dining experience.

COURSES OFFERED

1. The college will reopen for new admissions during May and June of every year to admit fresh students to the following courses of Pre-University Course (P.U.C).
2. To be eligible for admission to the first-year PU course, candidates must have passed a recognized School Leaving Certificate examination such as SSLC or an equivalent exam.
